# Day 14: Portfolio Development

# Warm up!

---

# Today's Schedule

---

## Morning:

- Make final pull requests
- Complete portfolio
- Demo Portfolios

## Afternoon:

- End of program survey
- Field Trip!

# Update Portfolios

---

Complete and update your portfolios from week 1.

Be sure you have each section complete:

- Header Image
- Title
- Bio
- Images and links to project source code and CodePen live example when applicable
- Contact information (GitHub URL and email if you'd like-not required)
- Navigation bar complete

# End of Program Survey

---

Do your best and answer honestly!

# Field Trip!

---

Please be on your best
